THE OWL

Foreword

Those who have been born and have lived in the Space Age, sometimes find difficulty in expressing their feelings of citizenship and responsibility. When all around us there seem to be unrest and dissension, it is encouraging to find those that still believe in loyalty to their country, their schools and themselves. Presented here are pictures of those people and activities which we believe express these feelings.

The "68 OWL" depicts those who have achieved honors in scholastics, not disgrace in prejudices; it shows our participation with school spirit, not protest, nor dissension. It reveals our confidence in our future, not shame for our past.

Those who are ending their studies at Elgin High School carry with them the opportunity to express to the world their ability to accept their responsibilities; those being left behind have full confidence their ways will be easier as a result of those who have gone before them.

The Owl staff wishes to express our appreciation for the assistance we have received from our many friends of the Elgin school and community. Their counseling and directing of our steps has been invaluable.

Dedication

The hands above symbolize the love of our parents to whom we so gratefully dedicate this annual. Without their support and constant guidance we would be unable to be a part of this graduating class. The Senior Class is truly thankful for all the help and love our parents have given us.

The Staff

Staff Enjoys Annual Production

SEATED: Rachel Kelsey, Secretary; Doretta Calderon, Editor; Ramona Read, Co-Editor; Randy Harrel, Business Manager. STANDING: Jerry Read, Proofreader; Clyde Middleton, Artist; Linda Wyatt, Typist; Janice Wolcott, Class Editor; Ella Day, Sports Editor; Gerald Cross, Sports Editor; Johnny Graves, Photographer; Randy Hise, Photographer; Miss Ryan, Advisor.

Co-Editor Ramona and Secretary Rachel ably assist Editor.

Advisor Miss Ryan helps in her spare time.

A Message from the Editor

These are wordless moments, touching something precious tucked away in every heart. Through these pages I hope we have captured the wonderful and happy moments of the 1967-68 school year.

The days spent in preparing this book gave the staff pleasure. We express our sincere appreciation to all the people who have assisted and contributed to the annual. We have tried to include a portion of everything that makes up our school, and we hope that as the years go by you will cherish this book more and more as you turn the pages.

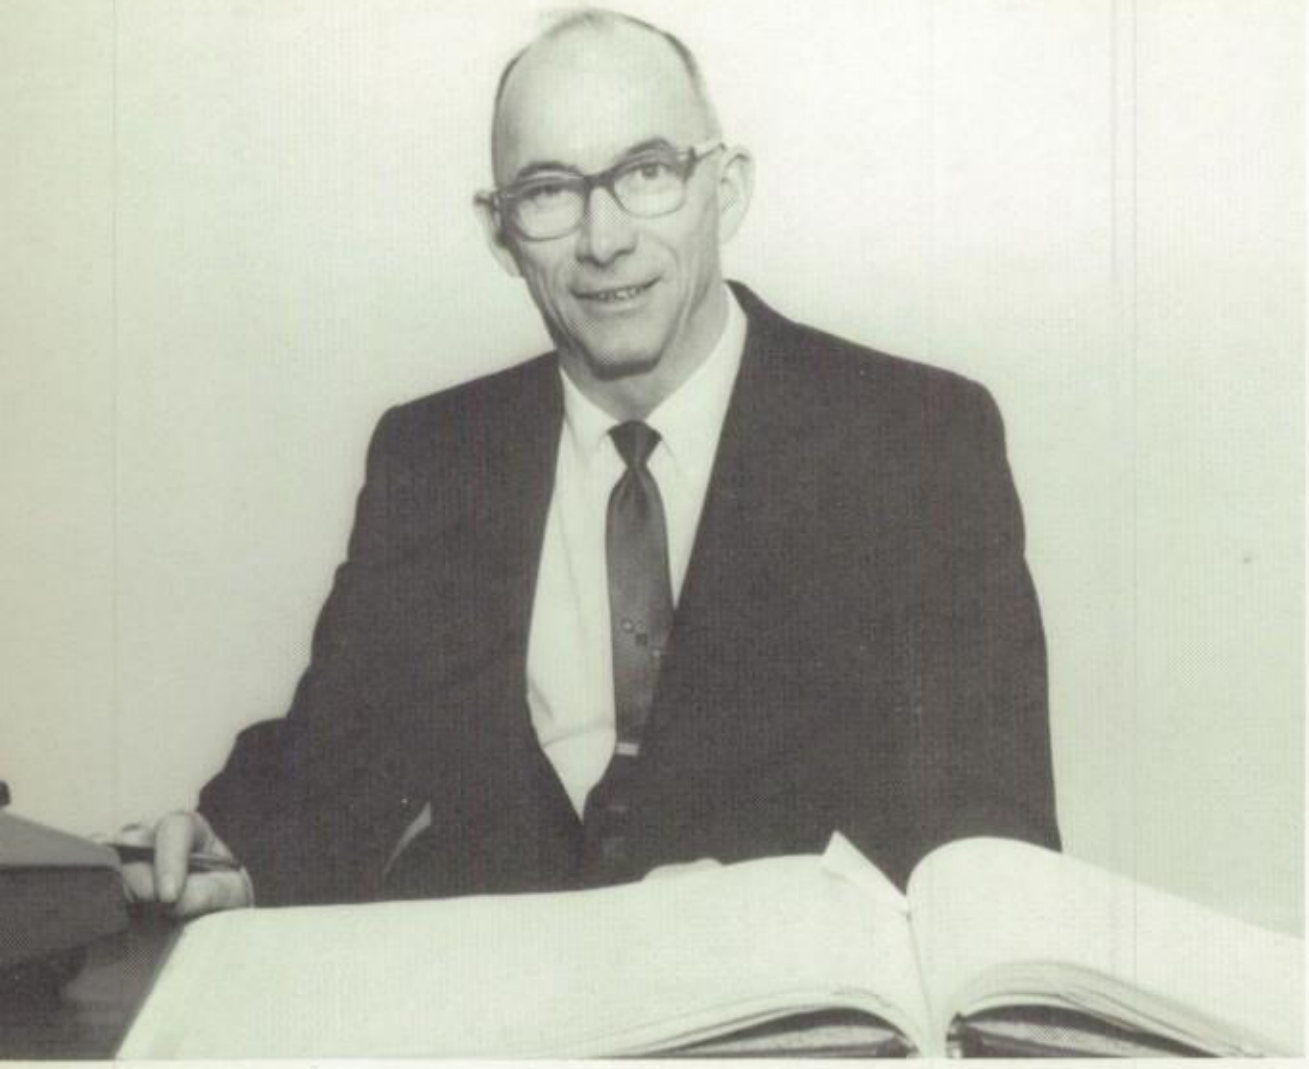
Administration



Superintendent Pays Tribute to Educational Workers

This has been one of the finest years at Elgin School and in this space I would like to pay tribute to those who have made it so. First of all, I have been impressed with the strength of our faculty. I would be proud to have all of them back next year. We have nine new teachers and each has more than lived up to expectations. All of the teachers are concerned with doing a good job of teaching and have had a real good attitude about school duties and problems not directly connected with their teaching. I especially want to commend the three principals, Mr. Wade, Mr. Payne, and Mr. Bracken. Each has been given more responsibility in actually running their section of the school than has ever before been given to our principals. Each has worked in a most satisfying manner. The fine teacher aides and the office force, both paid workers and student helpers, have been real important in the school.

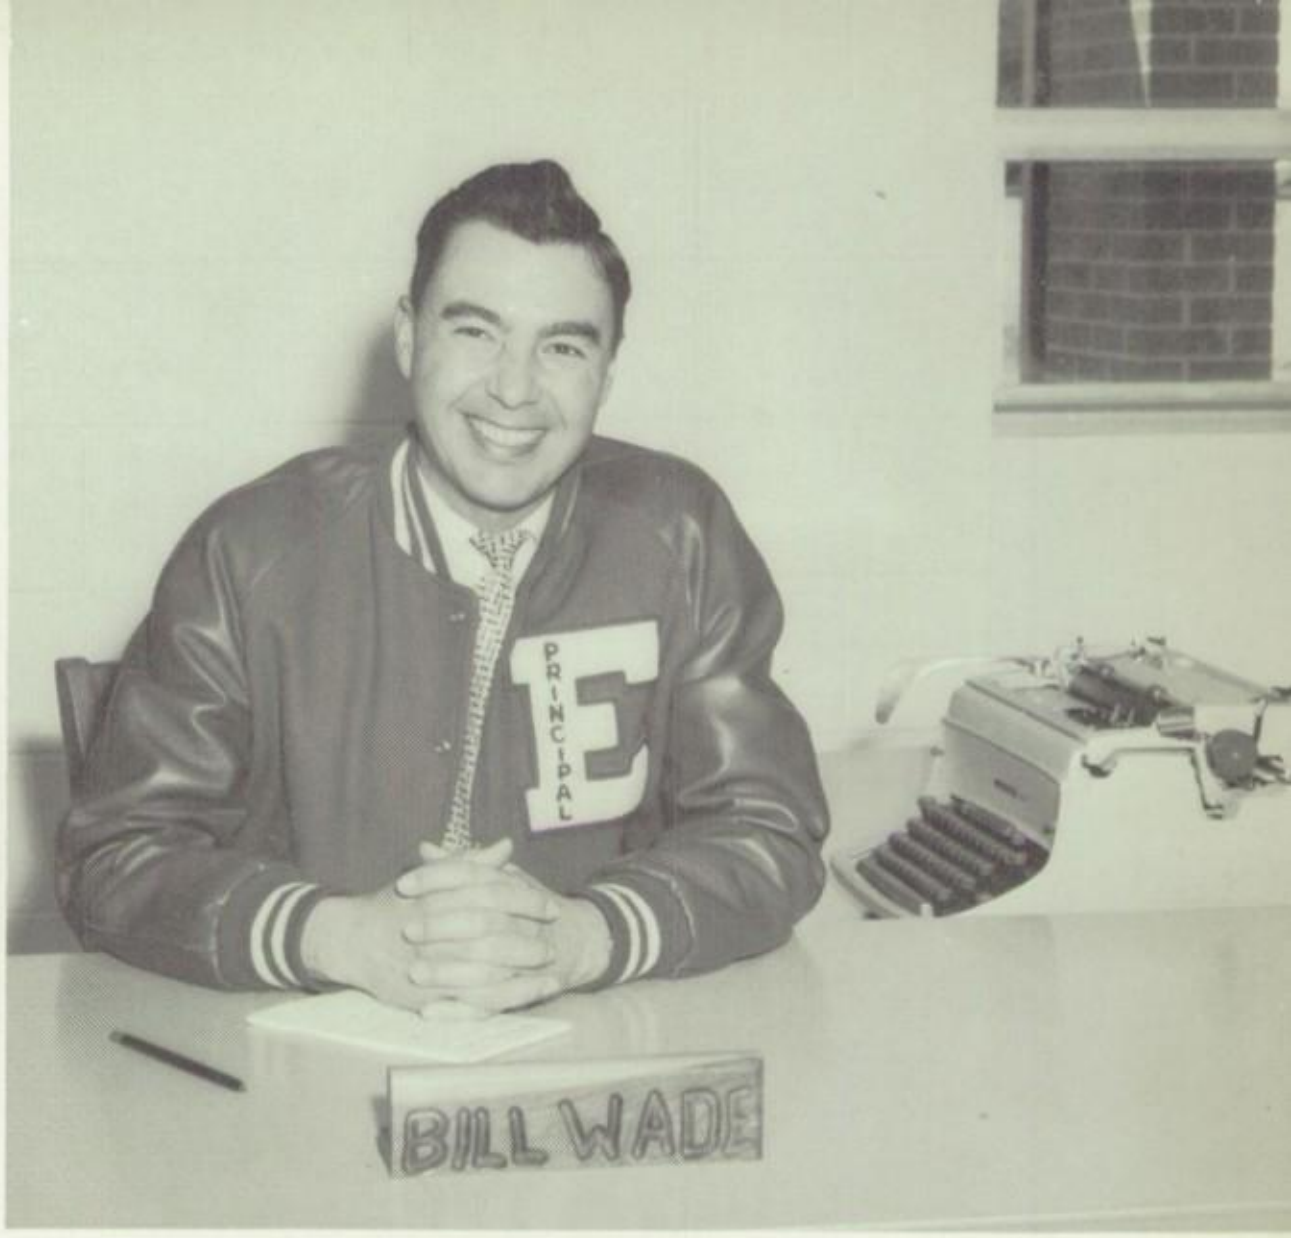
We are all proud of the over-all good spirit, good attitude toward school work, and the accomplishments of our students. This has been one of our best years in both curricular and extracurricular work.

.A good school year is not possible without good guidance by the school board members and cooperation of the many patrons. We have had both of these to the end that our children have a chance at a good education. I deeply appreciate the contribution that each of you has made to Elgin School.

Arthur Farrar

We are very thankful for the work of Mrs. Mary Kolker and Mrs. Donna Miller. Their work in the Superintendent's office and their keeping of the class financial records has made them an indispensable asset to the school.

Principal Accents Challenge for Continual Improvement at Elgin



A year ago when I was writing for the annual we were looking forward to moving into our new building. A year has passed and we still can hardly believe that we are actually in the new school. Just this week some new office furniture arrived, so we are still in the process of making improvements. This is necessary as you either move forward or you go backward. It is impossible to stand still. May we always go forward, is our wish.

OFFICE WORKERS: STANDING: Janice Wolcott, Kaye Lawson, Gerald Cross, Doretta Calderon, Mr. Bill Wade, and Barbara Bookout. SEATED: Ramona Read, Rachel Kelsey, Belinda Calderon, and Linda Wyatt.

MR. LARRY PAYNE

Junior High and Grade School Have New Principals

This is Mr. Payne's first year as Junior High Principal. He has assisted many of the students with his counseling and encouragement to to stay in school. We are all grateful for his help.

Mr. Bracken, the new grade school principal, supervises 14 teachers and 309 students. He has been very cooperative in activities concerning the grade school and high school.

Grade School Aides: Mrs. Blanche Reid, Mrs. June Shay, and Mrs. Alice Davis.

Aides Are a Big Help to Teachers

Aides are really a big help to the teachers this year. They help by performing many of the minor jobs of teaching such as grading papers and mimeographing tests. This help is very much appreciated by the teachers, leaving them more time for efficient instruction.

Mrs. Blanche Reid, Mrs. June Shay, and Mrs. Alice Davis are the Elementary Teacher Aides and Mrs. Wilma Harris is the Aide for the junior and senior high school. The aides are paid from the funds provided by the Federal Government under the Elementary and Secondary Education Act, Title I.

High School Aide: Mrs. Wilma Harris.

Student Council

Adopts New Constitution

A new constitution was written by the Student Council and approved by the Student Body. It then went into effect, creating a much better organization.

This year also saw a Student Lounge equipped with three ping pong tables and a juke box furnished by the Student Council. Once again, this year, the Student Council sponsored a store where school supplies could be purchased; and two motion pictures for the student body's enjoyment were shown. Yes, this was truly a great year for the Student Council of Elgin Senior-Junior High School.

"Home Sweet Homicide"

A three-act mystery was presented November 14, under the direction of Mrs. Herschel Sahmaunt.

The story revolved around a widow who writes mystery stories to support her family. Her three children tried to run the household with explosive r sults. Everyone became involve when a murder was committed next door.

'67 Season Ends

Baseball boys ended the 1967 season with nine wins out of 14 games. They participated in two tournaments; Roosevelt Invitational Tourney and the District Tournament at Sterling.

Baseball calls for a skill of its own; and these stars are sometimes, but not always, the same ones that excel in basketball.
